WORK EXPERIENCE

Engineer at Honeywell Homes - Resideo *(10/2019 - Present)*

Senior Systems Engineer at Infosys *(07/2017 - 10/2019)*

PROJECT

Athena ETL

Targated to pull data from source eventhubs and perform basic transformation of raw data and organise the same under data lake or elk.

(07/2020 - Present)

- Developed UI using reactjs with AD auth and APIs using python flask.
- Created docker image of pipeline executor using python and deployed in AKS.

`Python` `ReactJS` `Flask` `JS` `Docker` `AKS` `Terraform script` `Mysql`
Rule Engine

Event driven cloud application which provides facility to perform live events (triggered from various devices) based on rules created by users.

(10/2019 - 07/2020)

- Implemented workflow MS to perform CRUD on rules and execute rules.
- Implemented Event MS to pull events from eventhub and send it to executor.
- Implemented trigger/action MS to subscribe event hubs and perform actions triggered by devices.
- Automated the cloud resources deployment using terraform cloud.

`C#` `DotNet core 2.2` `Terraform script` `Azure Event hub` `Mongo DB`

US based energy provider company (sce.com)

A digital utility site where user can check his power bills, payment history, usage details and pay electricity bills etc.

(07/2017 - 10/2019)

- Developed billing & payment, my account and budget assistant modules using ReactJS and SpringBoot MS.
- Implemented async API call in MS and Utilized Java 8 features for code optimization and performance enhancement.
- Integrated Webpack as a build tool, Babel to transpile the new generation JavaScript & Junit for unit testing.

`Java` `Springboot` `ReactJS` `JS` `SCSS` `Drupal` `Docker` `AKS`

SKILLS

`Java` `Spring - Basic` `SpringBoot - Basic` `JavaScript` `React` `Redux - Basic` `Html` `Css - Basic` `Terraform - Basic` `Docker - Basic` `Kubernetes - Basic`

ACHIEVEMENTS

Magic squad award *(09/2019)*

Insta award *(06/2019)*

Insta award *(01/2019)*

Most valuable player award *(08/2018)*

Insta award *(05/2018)*

TOOLS

`Spring tool suite` `Jira` `Visual studio code` `Github/Gitbash`

EDUCATION

B.Tech in Information Technoloy
Dharmsinh Desai University, Gujarat
(2013 - 2017)
Achievements

- Scored 10/10 in Java
